06/27/2018		MINUTE ORDER. The Court is in receipt of the parties' <u>12</u> Joint Status Report. The report provides updates on the status of Defendant's search for and review of documents responsive to Plaintiffs' FOIA requests. Defendant has completed some searches and will complete others in the next 30 days. Plaintiffs argue that they "have waited long enough" and request that the Court order Defendant to conclude its review of documents by a particular date and also order Defendant to take certain particular steps in conducting its search. Although Defendants should produce documents on a rolling basis as possible, the Court will not order Defendant to adhere to any particular deadlines at this early stage in the case. Defendant represents that it is diligently processing Plaintiffs' requests and that its search will soon be concluded. The Court will also not make substantive decisions about the adequacy of Defendant's search in

		response to a Joint Status Report. Plaintiffs will have an opportunity to argue about the adequacy of Defendant's search if dispositive motions are filed at a later stage in this case. The parties shall file a further Joint Status Report by no later than JULY 26, 2018. In that report, the parties shall update the Court on the status of Plaintiffs' FOIA requests and propose a schedule for further proceedings, if unnecessary. Signed by Judge Colleen Kollar-Kotelly on 6/27/2018. (lcckk3) (Entered: 06/27/2018)

11/19/2018		MINUTE ORDER. The Court is in receipt of the parties' <u>19</u> Joint Status Report. The parties report that the FBI has completed its review and released all responsive, nonexempt records. But, Plaintiffs dispute the adequacy of the FBI's search and its withholding of information as exempt from release under FOIA.
